Recommendations

Having been involved twice in the MSM Course, I believe that it gives an excellent grounding for anyone exploring or engaging in Pioneer Mission. The time is right for the pioneers and explorers of Colchester to get fired up, equipped, networked and moving. Jesus said, "Go!"..... Here's a practical process to get you going and resource you while you go.

David Beales

The world we live in is rapidly changing. The church has a great message to speak to a world that flounders with questions, doubts and fear. I believe MSM will encourage the church to begin by listening to our communities and then equip pioneers and those with a heart for seeing church move beyond its walls to reach into new communities with the message of hope, life and love as found in the person of Jesus Christ.

Geoff Felton

Course partners

"The greatest benefit of the course is its practical side and the chance to talk through issues relevant to your situation."

Leanne Corlett, course participant

"The next big step in taking fresh expressions of church forward is making the right kind of training available in every part of the country. *msm* is making a major contribution here and I'm delighted to commend it."

Rowan Williams, Archbishop of Canterbury 2002-12

"I wholeheartedly recommend this course, designed to equip all God's people to establish authentic and effective Church for this and future generations."

Stuart Bell, Leader, Ground Level

"More and more Christians are being led by God to plant, sustain and lead fresh expressions of church. The course is a crucial means by which the Holy Spirit is preparing them for this calling. Go for it!"

Martyn Atkins, Former UK Methodist General Secretary
